THE BLOOMFIELD CITIZEN.

SATURDAY, OCTOBER 4, 1890.

The constitutional amendment has been defeated by an overwhelming majority. This shows that most of the people who thought at all, thought our legislative halls are already nearly enough den of theives without offering any additional inducements to the light-fingered gentry.

Modesty Run Riot.

As the old woman said, when the old man casually remarked one morning, that the cow had swallowed the grindstone—"just as we expected." It has been discovered in Brooklyn that Longfellow's poems are dangerous and demoralizing, particularly to the young. Many people in reading this in the morning papers were almost astonished out of eating their breakfasts; but they should have merely remarked, "why certainly," and calmly continued their breakfasts and the reading of the news.

This highly absurd state of affairs is the natural outcome of the continual chatter of cranks like Comstock and his disciples. The great truth enunciated by the English King in his "evil to him who evil thinks," and long before set forth by a much greater authority in the work, "to the pure all things are pure," is entirely lost sight of by these latter day prudes and sickly sentimentalists. If the Comstockians be not speedily driven to take refuge within the dark holes of their own evil imaginations, publishers will soon be indicted for sending copies of Shakspeare and the English Bible through the mails. Indeed, it is a marvel, that long ere now they have not put forth expurgated editions of the Old and New Testaments.

In discussing this subject the Chicago Herald remarks: "The Brooklyn prudes who object to Longfellow's "Building of the Ship" remind one of an incident in the life of Ralph Waldo Emerson. One day while gazing in admiration at a beautiful new statue that had in every line an esthetic thought, a lady said to him, "Mr. Emerson, don't you think the exhibition of this statue is indecent?" With an expression of surprise and disgust Emerson answered: "No, but your question is."

The Facts in the Case.

A great deal of talk has been indulged as to the action of [illegible] officials with respect to the funeral [illegible] grade of copper exaggerated and in many instances [illegible] have been made concerning the matter. Any one who will give the facts in the case a moment's consideration will readily realize that the action of the chairman of the Township Committee was strictly in the line of his duty and solely in the interests of law and order and a decent respect for the sanctity of the sabbath day. Mr. Metz left written instructions concerning his burial. In them he ordered that his saloon doors be thrown open and the guests at the funeral be regaled with beer free of charge. This was the part of the ceremony that appeared wrong in the estimation of the chairman of the Township Committee, and to every other man who had the least regard for the reputation of the town. Mr. Ward consulted with town counsel Richards as to the law bearing on the matter. Mr. Richards said that the turning out of the societies of which deceased was a member and the employment of a brass band was allowable and nobody could interfere; with respect to the last part of the ceremony there was no doubt but it was clearly wrong.

Mr. Ward, Mr. Richards, and Mr. Gilbert called on the undertaker, A. B. McDougall, and asked him what kind of a demonstration was to take place in the afternoon. Mr. McDougall informed them and said that the family did not intend to carry out the "open house" part of the programme. On learning of this fact there was nothing more to be said on the subject.

The prompt action taken by the chairman of the Township Committee will commend itself to the larger and better class of citizens. To have the enmity of those opposed to his action is undoubtedly more creditable to him than the friendship of such a class.

A New Electric Road.

A petition has been received by the road board for permission to construct and operate an electric railway between Caldwell and Montclair, on Bloomfield avenue. The petition was signed by Joseph H. Reall, and was presented by ex-Judge Johnson of Caldwell. Mr. Johnson said to a MORNING PRESS reporter that the company was not yet organized, and declined to give the names of the stockholders. The cost of the plant, he said, will be about $137,000, most of which is already paid in. The petition was received and placed on file.

Mr. Reall is a resident of Bloomfield, and a well known organizer of corporations. The Sprague Electric Motor Company is said to be interested in the project.

The Public Hospital meeting, which was announced for Friday evening, October 3d, has been postponed till October 10, and will be held in Montclair instead of Glen Ridge. Notice of the place of meeting will be given next week.

Merit Wins.

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits Geo. R. Wood Druggist.

K. of P. Lodge Anniversary.

Eureka Lodge, No. 46, Knights of Pythias celebrated the sixth anniversary of their organization on Tuesday night with a musical and literary entertainment. The affair was a grand success and the large audience that crowded Dodd's Hall were highly pleased.

A pleasing incident took place during the performance. Mr. Joseph Schreiner of Newark, who has responded a number of times to invitations from Eureka Lodge to assist them in entertainments, was presented, with a handsome gold ring in appreciation of his services. The presentation address was made by P. C. William Baldwin of Newark. The affair was a complete surprise to Mr. Schreiner.

The programme consisted of the following: Piano Duet, Blue Bells of Scotland, Mrs. and Miss Davis; Song The Old Guard, George Davis; Selections, Bro. Schreiner; Original Poem, Willis H. Cadmus; Song, Killarney, Mrs. J. W. Brereton; Address, P. C. Wm. Baldwin; Rehearsal, Winans & Bond; Gipsy Song, Esmeralda in Costume, Miss N. Davis; Song, Florence Dodd; Duett, A. B. C. G and N. Davis; Song, Tit-for-Tat, N. Davis; Selections, Bro. Schreiner.

Church Notes.

Rev. Mr. Goerlitz of Newark will occupy the pulpit of the German Presbyterian Church, on Sunday morning.

On Sunday evening Rev. C. A. Cook will preach on "The Bible, Is it from God?" Infidel objections to the Bible will be answered.

The Essex County Sabbath School Association will hold its thirty-first annual convention in the Central M. E. Church, Newark, on Wednesday, October 8th.

The vote on the question of admitting woman delegates to the M. E. General Conference was taken in the Watsessing M. E. Church on Wednesday night, and the result was 20 to 8 in favor of the women.

Christ Church—Holy Communion and sermon 10.30 A. M. Sunday School 3. P. M. During the month of October, the Rector of Christ Church will deliver a course of lectures to Young Men on Sunday evenings, 7.30. First lecture, Obtober 5th, subject—"Liberty, its use and abuse." Strangers invited.

The Newark Presbytery met in the Second Church, Newark, on Wednesday. Rev. Dr. Knox, President of the German Theological Seminary, made his report. There were forty-two students in attendance, and the alumni numbers forty-six. The demand for graduates is greater than the supply. There is a growing demand for preachers who can preach in either the English or German language. An experiment in the admission of Bohemian and Italian students is being tried, and teachers from New York have been engaged to give instruction at stated times in their respective languages. Dr. Knox hoped that Scandinavian students would be admitted. The financial statement of the seminary showed that the cost per student was less than last year, while the expenses were $1,800 more, owing to the increased attendance. The debt has been reduced from about $9,000 to only $100. Last year the cost per student was $260, while this year it will be $250. The matter of enlarging the institution will soon have to be considered.

The report from the committee on church extension showed the receipts from April 2 to October 2 to be $5,025.57 including a balance on hand of $478.91. The disbursements were $3,378, including $1,541 to the Wickliffe Church which cancels the presbytery's pledge, and $1,495 to the Fifth Avenue Church. [illegible] in North or South America is in [illegible] last three years, [illegible] remained.

A Word About Carpet Lining.

Owing to the scarcity of getting any good Carpet Lining in town, I would like to call the attention of my patrons that I have now in stock the best Cotton Carpet Lining in the market which I had made on special order, and will sell at retail at 8 and 10 cents per yard.

Parties wishing to purchase the same can receive it immediately on receipt of order.

GORMANDIZING,

or overeating, or the partaking of too rich and indigestible food, is a common cause of discomfort and suffering. To immediately relieve the stomach and bowels from such overloading, a full dose of Dr. Pierce's Purgative Pellets is the best remedy. They operate gently, yet thoroughly and without griping, nausea, or other unpleasant effects.

If the too free indulgence in such intemperate eating has deranged digestion, causing dyspepsia and biliousness, attended with a sense of fullness or bloating after eating, coated tongue, bitter or bad taste in mouth in the morning, on arising, drowsiness after meals, indescribable feeling of dread, or of impending calamity, and hypochondria—the you need to follow up the use of the "Pellets" with Dr. Pierce's Golden Medical Discovery, to tone up the stomach, invigorate the liver, and set all the processes of digestion at work. While curing indigestion, it purifies the blood, cleansing the system from all humors and blood-poisons—no matter of what name or nature, or from what cause arising. There is nothing similar to it in composition or approaching it in results. Therefore, don't be duped and induced to take some substitute, said to be "just as good," that the dealer may make a larger profit.

Manufactured by WORLD'S DISPENSARY MEDICAL ASSOCIATION, Buffalo, N. Y.

BLOOMFIELD, N. J.
P. S. All interested are invited to inspect the works.

REDUCED PRICES
—AT—
CRESCENT DRUG STORES
ON ALL GOODS.

It will pay practical people to read the following advertisement carefully:
The Crescent Drug Company were the originators in Newark of selling Drugs, Medicines, etc., at Reduced Prices.
Not so with other Druggists! There are a few conspicuous instances where other Druggists in Essex County sell Patent Medicines ALONE at Reduced Prices as LEADERS to tempt customers; but these Druggists are like the unwilling workman, who only does his task while under the vigilant eyes of an overseer. It is a forced exaction, not a voluntary tribute.
For instance—we sell regular $1.00 Patent Medicines at 75c., 70c. and some as low as 68c. One or two Newark Druggists single out our 75c. Patent Medicine and offer it to their customers for 67c. Yet these same Druggists repeatedly (year after year) charged $1.00 for this same Patent Medicine until the Crescent Drug Company opened a Drug Store and from the beginning sold everything at Reduced Prices! Then these Druggists Reduce Prices on other Goods? No! They still continue to sell Drugs, Perfumery, Prescriptions, Soaps, Brushes, Sponges, Combs and other goods at the same old schedule of High Prices.
Wonder, do you realize that when you pay your Druggist 5c. per ounce for Borax, Alum, Soda, Flaxseed, Sulphur, Salts and for other Drugs, that you are paying at the rate of 80c. per pound for Powdered Borax? We sell Borax at 10c. per pound, Alum 5c. per pound, Soda at 5c. per pound, Flaxseed at 5c. per pound, Sulphur at 5c. per pound and other Drugs at proportionately low Prices for Drugs, Chemicals and other Goods. Everything in the Crescent Drug Store is sold at Reduced Prices! If you have never traded with us, you must certainly have an acquaintance who has traded with us. Consult such acquaintance and obtain his or her opinion as to the advantage to be gained by trading with the Crescent Drug Company. We will be satisfied with the verdict.
We employ Four Pharmacists (men, not boys) in our Prescription Department. Prescriptions Compounded at One-half the Price charged by other Druggists.
We have no Cigar Counter and no Soda Water Fountain to interfere with our legitimate Drug Business.
Our Drug Stores are closed all day on Sundays.
We have the Largest and Finest Stock of Sponges in New Jersey. Prices absolutely Lower than at Wholesalers.
Hair Brushes, Tooth Brushes and Nail Brushes. We carry a large assortment and sell at about One-half the Lowest New York City Prices.
Below we publish a Partial List of Goods with Prices. You can judge from this List how Low we sell everything in our Store:

Extract Lemon, per bottle	.15		

Conti's Imported Castile Soap, 60c. per Bar.

A Few Words About Wines and Liquors.
We do not affect to call ourselves Liquor Dealers or Wine Merchants. We do not sell Wines and Champagnes by the Case. As conducting a thoroughly stocked Drug Store, we carry on our shelves and in our cellars a complete line of Spirituous Liquors and Wines, as is usually so kept by Druggists (no apology for handling these goods is intended in these remarks), and in confining our attention strictly to the few brands we have for sale, we are enabled to serve the public with the Purest Goods only. Druggists, as a rule, bear a reputation of keeping in stock Liquors of poor grade and of charging for same exorbitantly high prices. Not so in our case. We desire to impress all consumers of our Wines with two facts:
1st.—That our Goods are exactly as we represent.
2d.—That we retail our Liquors, etc., on very close margin of profit and look upon the quality of the Goods as the best recommendation to consumers to purchase their Drugs, Toilet Articles, etc., in our store.
Invalids, aged people and others can rely implicitly upon the quality and therapeutical value of our goods.
